

# 2025 TWGEES-JWGEES-KEESSG Joint Meeting

Endoscopic Ear Surgery in Conjunction with Lateral Skull Base Surgery

## Program

Date: 20 December, 2025

Venue: Research Building 1F, Hall A, Linkou Chang Gung Memorial Hospital

(1F, No. 15, Wenhua 1st Rd., Guishan Dist., Taoyuan City, Taiwan).

Time (mins)		Topic	Speaker
08:00–08:30	30	Registration	
08:30–08:50	20	Opening Ceremony and Remarks	
08:50–09:00	10	Photo	
09:00–10:20	80	The present and future of endoscopic ear surgery (20 min)	Seiji Kakehata
		Transcanal Endoscopic Stapedial and Tensor Tympani Tenotomy for Middle Ear Myoclonus: Case Series of Two Patients (20 min)	Jae-Jin Song
		Endoscopic surgery for congenital ossicular chain anomaly (20 min)	Chen-Chi Wu
		Challenging cases in EES (20 min)	In Seok Moon
10:20–10:40	20	Coffee Break	
10:40–12:00	80	Cases of Semicircular Canal Fistulae in Acquired Middle Ear Cholesteatoma (15 min)	Hirooki Matsui
		2D to 3D Conversion Otoendoscopic Surgery (15 min)	Tsung-Te Chung
		Exoscopic surgery (15 min)	Junya Kita
		Endoscopic malleostapedotomy versus incudostapedotomy: A comparative outcomes study (15 min)	Jin Woong Choi
		Difficult situation in stapes surgery (15 min)	Hsing-Mei Wu
12:00–13:00	60	Lunch	
13:00–14:00	60	Uncovering details of facial nerve abnormalities during EES for congenital ossicular chain anomalies (15 min)	Kishiko Sunami
		Endoscopic cholesteatoma removal in children	Moo Kyun Park
		Augmented Reality-Assisted Transcanal Endoscopic Ear Surgery for Middle Ear Cholesteatoma (15 min)	Keisuke Tsuchida
		The Double Keyhole Technique: A Minimally Invasive Approach for Cholesteatoma Extending into the Mastoid (15 min)	Masaya Uchida

14:00–14:20	20	Take a break	
14:20–15:20	60	Endoscopic Tympanic Membrane Regeneration Therapy (15 min)	Shin-ichi Kanemaru
		Cholesteatoma removal via endoscope-assisted transmastoid approach (15 min)	Donggu Hur
		Endoscopic Ear Surgery for Glomus Tympanicum: Successes, Challenges, and Limits (15 min)	Chao-Hui Yang
		Long-Term Results of Simultaneous Cochlear Implantation and Acoustic Tumor Removal (15 min)	Shapira Udi
15:20–15:40	20	Coffee Break	
15:40–16:45	65	Skull base surgery surrounding jaguar foramen (20 min)	Takashi Nakagawa
		Comprehensive Management of Mixed Hearing Loss in Elderly Patients Using Transcanal Endoscopic Ear Surgery and Hearing Aids (15 min)	Shintaroh Amano
		Efficacy of Transcanal Endoscopic Revision Surgery for Patients with a History of Canal Wall Down Mastoidectomy (15 min)	Takanari Goto
		Quantitative Taste Evaluation in Middle Ear Surgery (15 min)	Takara Nakazawa
16:45–17:15	30	Xenograft of artificial fascia in transcanal endoscopic tympanoplasty - personal experience (10 min)	Ning-Chia Chang
		Autograft, Allograft or Xenograft? Compare Outcomes of Three Different Graft Types in Endoscopic Type I Tympanoplasty (10 min)	Yi-Chen Tsai
		Scarless Endoscopic Cartilage Myringoplasty - Outcomes and Procedural Optimization (10 min)	Kuan-Chieh Chen
17:15–17:30	15	Closing Remarks	
18:00–20:00		Gala Dinner
